Wollerau, 23.02.2021

To whom it may concern

Statement of doping risk-free manufacture

It is hereby confirmed that SPONSER SPORT FOOD AG neither handles, manufactures nor manufactures by contract substances nor products of any kind like

- pharmaceutically active substances, namely hormones or prohormones, no toxic, sedative, psychotropic or otherwise pharmaceutically active substances like those listed on the WADA 2021 doping list
- containing nano-technology, GMO or GMS, pesticides and other bad substances.

SPONSER SPORT FOOD is collaborating with food manufacturers, suppliers and chemical industries possessing quality management systems such as ISO, BRC, IFS or comparable Food Safety Standards, which guarantee for their products. They are under permanent control of Swiss food law authorities.
